LETTER OF INTENT

Date: 24th November 2021

To
Shesh Kumar Patel

Sub: Participation in the Electric Vehicle Innovation Challenge (EVangelise) 2021.

Dear Shesh Kumar Patel

We are writing to provide a letter of intent in respect of our intention to support **Shesh Kumar Patel** by offering services that iCreate specializes in. By participating in EVangelise 2021, you have already been utilizing iCreate's mentorship and infrastructure to improve your prototype. In the meantime, we have also had the opportunity to monitor the developments and evaluate your ability to solve the challenges that different stages of the EV value chain face.

As we continue spending time evaluating **Shesh Kumar Patel**, we believe iCreate's association with **Shesh Kumar Patel** will bring unique value and capabilities to **Shesh Kumar Patel**, accelerating development and growth of **Shesh Kumar Patel**. We believe we could drive **Shesh Kumar Patel**'s growth strategy, by providing:

- **Incubation Support:** iCreate provides investments upto **INR 50 lakhs** in the form of debt funding, equity funding or both. Based on which stage you are at, we invest in your growth and provide expert mentoring.
- **iLab:** Design, iterate and develop prototypes in our state-of-the-art application lab and increase your odds of success. With over 262 innovations and 20 patents created here, iLab offers 24/7 rapid prototyping services to help you make your idea tangible.
- **Pro-fund Gateway:** We can help you get maximum benefits of funding schemes promoted by the Government of Gujarat and Government of India. Let us assist your idea and help you secure funding from the government.

In the event that **Shesh Kumar Patel** is chosen to be included at iCreate, we will inform you the detailed terms of investment. However, in the event that you are approached with similar funding and/or incubator opportunities during the time that **Shesh Kumar Patel** is under iCreate's mentorship and is utilizing iCreate's infrastructure to build/refine its prototype, you would be required to promptly inform us.

Yours sincerely,

The iCreate Team

to me, Shantanu, Nanasah...

Hi Rishi,

Congratulations! you have been selected for iCreate's Sparkup fund on the basis of the following conditions. During Bootcamp you have been given specific recommendations from the icreate team.

You have to provide an updated technical baseline document with detailed information. We will disburse the first tranche after a detailed review of your project milestone.

Sparkup fund is given to aspiring entrepreneurs and to take their tech innovation-based idea to the next level. It is a fund of up to Rs.50,000 which is disbursed in 2 tranches. With this, you get access to our mentors, lab facilities and accommodation at iCreate campus.

About Sparkup Fund: Spark-up Idea Fund program is a unique opportunity for students to submit their innovative Idea/Project & have an opportunity to receive support and funding of up-to INR 50,000. Any student or team from any discipline and college can apply for the fund. To meet the qualifying criteria the idea must be implementable, commercially viable and new or one giving a better alternative to an
